

**Manufacturer
of superior quality
injected PP containers**

Who are-we

Manufacturing plant located near Quebec City

Founded in 2002

Continually expanding our line of round, square and tamper evident containers

State of the art injection molding machines and robotics

Our mission

To produce **impeccable**, high quality plastic packaging.

Be complete in the market, while **listening** to the needs of our customers and respond as **quickly** and **efficiently** as possible.

No job is too big or too small – we **value** our customers, and respond to their needs accordingly.

Elfe Plastik is **unmatched** in the plastic packaging industry.

A photograph of two young children with curly hair, seen from behind, holding hands and walking through a lush green field of tall grass. The child on the left is wearing a white long-sleeved shirt and blue denim overalls. The child on the right is wearing a white long-sleeved shirt and blue jeans. The scene is bathed in warm, golden light, suggesting late afternoon or early morning. The background is a soft-focus expanse of green grass.
